

# CNN Breaking News Package

**Cape ↔ Naries ↔ Namibia**

**BREAKING NEWS! Route N7 (better known as the Cape–Namibia route) is becoming as popular in South Africa as the well-known Garden Route and Route 62. The majority of people travelling the N7 between Cape Town and Namibia are using Naries Namakwa Retreat as a half-way resting point for at least 2 nights. Let us compile and book your itinerary for you!**

## WHY book with us and not directly?

1. We negotiate the best possible rates for you – sometimes you even pay less than what you would have paid, had you booked directly.
2. Having very good relationships with industry suppliers, we ask for that little bit extra to make your stay special.
3. We do what we are good at and enable you to cut out much admin and organisation.
4. You help us to make a living and enable us to serve you for many years still to come!

**This holiday is completely CUSTOMISED. Here is a list of our preferred partner suppliers. Choose which ones you like, decide on your budget and preferences and we will help you create a life-changing holiday, with lots of positive NEWS to tell your friends when you get back home!**
