

Country-life Package

Meet the locals, experience our culture, be blessed by *our* piece of heaven on earth! This suggested SELF-DRIVE itinerary will take you to the out-and-about treasures of the Western and Northern Cape of South Africa.

Night 1: Labri Manor – Stellenbosch

A family- and owner-run guesthouse with a greater focus on relationship than profit. Arrive, have dinner and after breakfast in the morning, depart on your West Coast experience.

Nights 2 & 3: ah! Guest house – Paternoster

Ex-Johannesburg couple, chef Arnold Hoon and actress Annalise Bosch, renowned for many sumptuous long-table evenings and other taste-bud-teasing events, have swapped the hustle and bustle of city life for the tranquil setting of Paternoster. Share their love and life.

Nights 4 & 5: Draaihoek Lodge – Between Dwarskersbos and Elands Bay

It is difficult to describe Draaihoek, but let us try with these words: a secret getaway, romantic, true South African hospitality, unwind, a want-to-return type of destination.

Nights 6, 7 & 8: Naries Namakwa Retreat – Springbok/Kleinsee; Namakwaland

A little longer drive this time, but most people say they would drive and fly across continents to visit Naries again and again. This 3-night stay promises all the great things in life: quality, comfort, amazing meals and warm-hearted hospitality. Naries has several surprises in store for you.

Night 9: CHOOSE BETWEEN: Papkuilsfontein Guest Farm and Karukareb Wilderness Lodge

This is a stopover on the way back from Naries in the direction of Cape Town. Both destinations are somewhat off the beaten track and promise a unique experience! If you prefer, we can make this a 2-night stay as well.

Papkuilsfontein (recommended for the winter months)

Karukareb (recommended for the summer months)

Remaining nights: CHOOSE BETWEEN: Labri Manor again and Cathbert Country Inn

From here on, we customise your quote. We do not recommend that you end your holiday at Papkuilsfontein or Karukareb. For this reason we suggest a last stop for as many days as you want. Two highly recommended options are both in the Cape Winelands – Labri Manor in Stellenbosch and Cathbert Country Inn in Simondium/Franschhoek.

WHY book with us and not directly?

1. We negotiate the best possible rates for you – sometimes you even pay less than what you would have paid, had you booked directly.
2. Having very good relationships with industry suppliers, we ask for that little bit extra to make your stay special.
3. We do what we are good at and enable you to cut out much admin and organisation.
4. You help us to make a living and enable us to serve you for many years still to come!

Malaria FREE

Note that all our partners and Naries itself are in MALARIA-FREE ZONES. Come with peace of mind.
